The City is providing this list of local businesses/contractors to aid in the recovery efforts, a volunteer group has verified the contractors, businesses on the list have current liability insurance, workers compensation insurance, a city or county business tax receipt, and if required a license from the State of Florida Division of Business and

Professional Regulation. The City of Flagler Beach in no way is recommending these vendors nor or they promoting or implying promotion of their businesses. If you are a local vendor/business and would like to be included on this list you should contact Tracy 386-693-1222 and be prepared to provide current copies of licenses, insurance, etc."
