

FINISHED CONSTRUCTION ELEVATION CERTIFICATES ON FILE

Important Note: Some Elevation Certificates (ECs) did not have a street number. An attempt was made to provide it based on property description, but the EC location should be verified with Flagler County's Property Appraiser. For those ECs that were not dated by the surveyor, the date of January 1 plus a reasonable year was assigned, if possible. For streets with Number names, single digit street names follow double digit street names in the list. An EC is transferable from seller to buyer; a new EC is not required for each sale if there has been no change to the building footprint. Contact the Department of Public Works, (386) 517-2000, ext 248, for a free copy of an EC.
