Topic: Natural Disasters and Persons with Special Needs

With hurricane season gearing up, the City of Flagler Beach would like to remind residents with special needs that assistance is available during times of emergency.

The City of Flagler Beach Fire Department is currently distributing applications to citizens with special needs. It is not required that citizens be a full time resident, however it is required that the applications be updated annually.

Persons with special needs include but are not limited to those who need assistance with;

- Personal Care
- Mobility
- Taking Medication
- Feeding
- Mental Health Care
- Airway/Breathing
- Wound Care
- Activities of Daily Living
- Transportation During Times of Emergency

To obtain applications, Flagler Beach residents can contact the City of Flagler Beach Fire Department at (386) 517-2010 or visit in person at 320 S. Flagler Avenue, Flagler Beach, FL 32136.
