**FOR IMMEDIATE RELEASE**

## Sign up for CodeRED, special needs evacuation shelter registry

**AUGUST 29, 2016** – As weather in the tropics is being monitored, Flagler County officials are encouraging residents to sign up for the CodeRED weather warning notifications and for those requiring additional assistance to apply for the special needs evacuation shelter registry.

“Weather conditions can change rapidly,” said Steve Garten, Flagler County Public Safety Emergency Manager. “We especially want to make sure we have everyone with special needs registered as we head into the peak of hurricane season – September and October.”

More specifically, individuals who should register for special needs evacuation sheltering are people who require assistance with daily living or who have medical conditions that prevent or hinder their ability to care for themselves.

Residents with computer access can register for either or both online at [www.flagleremergency.com](http://www.flagleremergency.com).

The direct link for CodeRED is <https://public.coderedweb.com/CNE/7B3E2CD592C0>. The link to the special needs application is [http://flagleremergency.com/doc/psn\\_form.pdf](http://flagleremergency.com/doc/psn_form.pdf).

“We as a county are making the necessary preparations to take care of the health and safety of our residents,” said County Administrator Craig Coffey. “Signing up for these services now will help us to help you in the future.”
