

PUBLIC NOTICE

The Flagler Beach City Commission will consider increasing utility rates at the Regular Commission Meeting on February 13, 2025. The meeting begins at 5:30 PM and will be held at City Hall.

The utility bill rate increase will take effect on the January bill for residents (owners and tenants) as well as business owners. The items increased will be utility water / sewer, stormwater and sanitation.

- Water and Sewer, base fees increase of 3.5%; flow rates increase of 3.5%
- Sanitation Rates, residential and commercial increase of 3.5%
- Stormwater Fees 37.2% increase (\$5.42 per month increase; \$14.58 to \$20.00)

Increased rates are necessary to cover operational costs and to continue / begin new utility and stormwater projects throughout the city. The utility and stormwater projects are necessary to ensure safety and reliability to residents and business owners.
