

# SPOTLIGHT ON STORMWATER

## How You can Stay Involved

Public engagement and transparency remain critical as the City of Flagler Beach transitions from planning to implementation. Residents are encouraged to:

- 
- ✓ Visit the Project Hub for updates, project information, and interactive maps:  
<https://info.mckimcreed.com/flaglerbeach>
  - ✓ Provide comments, share observations, and submit photos of drainage issues
  - ✓ Participate in future public meetings and feedback opportunities during project design phases
  - ✓ Stay informed about the City's efforts to secure funding and deliver stormwater improvements
