Construction Update for the City of Flagler Beach Pier Project

Lane striping will occur overnight between 9:00 pm – 6:00 am on July 13, 2025. Watch for construction signage, flaggers, traffic cones and diversions, illumination devices, & other construction related activities. Use caution when driving in the area. Visit cityofflaglerbeach.com or [Facebook.com/CityOfFlaglerBeachFlorida/](https://www.facebook.com/CityOfFlaglerBeachFlorida/) for updates.

The Pier Project schedule presented by the Contractor is below:

- Thursday, 7/10/25: Traffic Control Devices will arrive on site. Anticipate using one or 2 parking spots by the pier for storage. Will be stored outside of the clear zone.
- Friday, 7/11/2025: 3 Light plants will be delivered that will be used for night operations on 7/13/25. Another 2 parking spots will be needed to store these by the pier.
- Sunday night into Monday morning 7/13/25-7/14/25: Lane Striping and traffic control operations take place, establishing the work zone for the project. Traffic will be limited to a flagged, one lane, two-way flow for the duration of the striping operation (9 PM-6AM). Remainder of parking spots within work zone will be taken.
- Monday thru Wednesday Daytime 7/14/25-7/16/25: Delivery of construction equipment, construction roll-off dumpsters, and begin to prep the site for trestle installation and crane assembly.
- Thursday and Friday 7/17/25-7/18/25: Crane assembly. ~ 8 loads of crane components, (~ 4 per day) Trucks will stage near City of Flagler Beach Maintenance shop area until we are ready to bring them onto the job site. There will be a small mobile crane to be used as an assist crane for crane assembly.
